Subject: Our river needs a cleanup

Hi, I seldom write public officials but I am today because I believe in clean rivers.

If the EPA approves a big, expensive cleanup, I am worried that it will lead to higher costs for small companies and Portlanders. We have utilities who will pay part of the cost and I'm worried a big cleanup bill would lead to higher utility bills.

Please do what's right for the harbor workers and the families who depend on those jobs.

Sincerely,
